## Independent Auditor's Report

To the Board of Commissioners  
Of Boise City Housing Authority  
Nez Perce, LLC  
Boise, Idaho

### Report on the Financial Statements

We have audited the accompanying financial statements of Nez Perce, LLC (a limited liability company), henceforth known as the Company which comprise the balance sheet as of September 30, 2021, and the related statements of operations and member's deficit, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of September 30, 2021, and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements.

The supplementary information as required by HUD (supplementary information) is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

#### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated December 17, 2021 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Nez Perce, LLC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "Eide Bailly LLP". The signature is written in a cursive, flowing style.

## **Note 1 - Principal Business Activity and Significant Accounting Policies**

### **Principal Activity, Risks, and Uncertainty**

Nez Perce, LLC (the Company) was formed April 22, 2016, as a limited liability company under the laws of the state of Idaho and shall continue in perpetuity, unless dissolved or terminated at an earlier date. The Company was formed for the purpose of owning and operating a 26-unit affordable rental housing complex located in Boise, Idaho. Substantially all of the Company's income is derived from the rental of its apartment units. The Company began operations during November 2016. The Company has entered into a regulatory agreement with the U.S. Department of Housing and Urban Development (Note 9).

### **Concentrations of Credit Risk**

The Company maintains its cash accounts in various deposit accounts, the balances of which are periodically in excess of federally insured limits.

### **Receivables and Credit Policy**

Tenant receivables are rents and charges currently due from residential tenants. Payments on tenant receivables are applied to specific months. Management reviews tenant receivables monthly and charges operations with those considered uncollectible. All remaining tenant receivables are considered collectible.

### **Property and Equipment**

Property and equipment is recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is computed principally by the straight-line method over the following estimated useful lives:

Building and land improvements	5 - 40 years
Furniture and equipment	3 - 10 years

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based on this assessment, there was no impairment at September 30, 2021.

### **Income Taxes**

As a limited liability company, the Company's taxable income or loss is allocated to the owners in accordance with the Company agreement. Therefore, no provisions for income taxes have been included in the financial statements.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of September 30, 2021, the unrecognized tax benefit accrual was zero. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred.

### **Rental Income**

Housing units are rented under operating lease agreements with terms of one year or less. Rent income from tenants is recognized in the month in which it is earned rather than received. Any rent received prior to the month of occupancy is reported as prepaid rent. Tenant rent represents gross rent for all units in the project. Vacancy losses for unrented units and rental concessions are recorded for any unrented units to arrive at net tenant rent.

### **Debt Issuance Costs**

Debt issuance costs are amortized over the period the related obligation is outstanding. Debt issuance costs are included within long-term debt on the balance sheet. Amortization of debt issuance costs is included in interest expense in the accompanying financial statements. The straight-line method of amortization is used which is a reasonable estimate of the effective interest method.

### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### **Subsequent Events**

The Company has evaluated subsequent events through December 17, 2021, the date which the financial statements were available to be issued.

**Note 2 - Restricted Deposits and Funded Reserves**

Tax and insurance escrow	\$ 2,319
Replacement reserve	<u>200,297</u>
	<u><u>\$ 202,616</u></u>

**Tax and Insurance Escrow**

Pursuant to the mortgage agreement with Centennial Mortgage, the Company is required to maintain a mortgage escrow account. The mortgage escrow account is to be used to pay the next year's mortgage insurance premium, taxes, and property insurance.

**Replacement Reserve**

Pursuant to the terms of the HUD regulatory agreement, the Company is required to deposit \$975 per month into a replacement reserve account, increasing by 2.0% each year after the initial year of the agreement. The reserve for replacement account is to be used for repairs, maintenance and replacement of equipment not paid as part of the ordinary operations of the Company. Withdrawals from this account are subject to HUD approval.

**Note 3 - Tenant Security Deposits**

Pursuant to management policy, the Company has set aside \$6,900 as of September 30, 2021, to repay tenant security deposits after lease termination in accordance with requirements established by the HUD regulatory agreement.

**Note 4 - Property and Equipment**

Property and equipment at September 30, 2021, consist of the following:

Land	\$ 36,400
Land improvements	230,071
Building	1,267,617
Equipment and furnishings	<u>94,761</u>
	1,628,849
Accumulated depreciation	<u>(1,164,311)</u>
	<u><u>\$ 464,538</u></u>

**Note 5 - Accrued Expenses**

Accrued expenses at September 30, 2021, consist of the following:

Accrued wages payable	\$ 2,594
Management fees	<u>4,121</u>
	<u>\$ 6,715</u>

**Note 6 - Long-Term Debt**

Long-term debt consists of:

3.01% \$1,284,000 mortgage note payable to Centennial Mortgage, Inc., due in monthly installments of \$4,949 beginning January 1, 2017, through December 2051, secured by a deed of trust on all property and equipment, a security agreement and an assignment of rents and leases and a HUD regulatory agreement, net of unamortized debt issuance costs of \$84,495 in 2021, based on an effective interest rate of 4.51% (A).

\$ 1,178,260

Less unamortized debt issuance costs (84,495)

Long-term debt and unamortized debt issuance costs \$ 1,093,765

(A) – The loan is insured by HUD under the HUD 223f insured mortgage program. In the event of a default on the mortgage, all rents, profits, and income of the project are to be assigned to HUD. The regulatory agreement accompanying the HUD-insured mortgage shall remain in effect until termination or maturity of the HUD-insured mortgage.

Future maturities of long-term debt are as follows:

<u>Years Ended September 30,</u>	<u>Amount</u>
2021	\$ 24,251
2022	24,991
2023	25,754
2024	26,540
2025	27,350
Thereafter	1,049,374
Less unamortized debt issuance costs	<u>(84,495)</u>
	<u>\$ 1,093,765</u>

**Note 7 - Related Party Transactions**

**Member Distributions**

All distributions to the Member can be made only after the end of the semiannual or annual fiscal period. Distributions may be made only to the extent sufficient surplus cash is available after payment of all operating expenses, escrow deposits required by HUD, and principal and interest on the HUD-insured mortgage. During 2021, no distributions were made from surplus cash.

**Management Fees**

The Company has entered into an agreement with Boise City Housing Authority (the Housing Authority), the single member of the LLC, to provide management services. Under the terms of the agreement, the Housing Authority is to receive management fees as percentage of gross receipts. For 2021, the Housing Authority received 7.0% in management fees per the agreement. The agreement has an autorenewal option for one year, until canceled by either party. During the year ended September 30, 2021, the Company incurred management fees of \$17,405.

**Other Transactions**

During the year ended September 30, 2021, the Company reimbursed the Housing Authority \$22,041 and \$8,055, for payroll and benefits, respectively. The Company owes the Housing Authority \$4,884 for management fees and reimbursed payroll costs at September 30, 2021.

**Note 8 - Member's Equity**

Member	Ownership Percentages
Boise City Housing Authority	100%

**Note 9 - Regulatory Agreement**

The Company has entered into an agreement with the U.S. Department of Housing and Urban Development (HUD) that contains the following provisions:

- During the term of the regulatory agreement, the Company is obligated to make monthly deposits in the amount of \$975 to a replacement reserve, increasing by 2.0% each year after the initial year of the agreement. Disbursements from the reserve are to be used for the replacement of property and other necessary project expenditures and are to be made only with HUD approval. The funds may also be used as payment on the mortgage in the event of default.

- All distributions to the member can be made only after the end of the semiannual or annual fiscal period. Distributions may be made only to the extent sufficient surplus cash is available after payment of all operating expenses, escrow deposits required by HUD, and principal and interest on the HUD-insured mortgage.
- In the event of default on the mortgage, all rents, profits, and income of the project are to be assigned to HUD.
- Under the terms of the regulatory agreement, the Company is required to maintain an account to hold security deposits collected from tenants. This account is required to be separate and apart from all other funds of the project in a trust account and the amount shall be at all times equal to or exceed the aggregate of all outstanding obligations under said account.

Independent Auditor's Reports on Internal Control and  
Compliance

September 30, 2021

**Nez Perce, LLC**

HUD Project Number 124-11035

**Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Commissioners  
Of Boise City Housing Authority  
Nez Perce, LLC  
Boise, Idaho

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Nez Perce, LLC (the Company) as of September 30, 2021, and the related notes to the financial statements, which collectively comprise Nez Perce, LLC’s basic financial statements, and have issued our report thereon dated December 17, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Company's internal control over financial reporting (internal control) as the basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Company's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor’s Report on Compliance for the Major HUD Program and on Internal Control over Compliance Required by the Consolidated Audit Guide for Audits of HUD Programs**

To the Board of Commissioners  
of Boise City Housing Authority  
Nez Perce, LLC  
Boise, Idaho

**Report on Compliance for the Major HUD Program**

We have audited Nez Perce, LLC’s (the Company) compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the Guide) that could have a direct and material effect on the Company’s major U.S. Department of Housing and Urban Development (HUD) program for the year ended September 30, 2021. The Company’s major HUD program and the related direct and material compliance requirements are as follows:

Name of Major HUD Programs	Direct and Material Compliance Requirements
223 (f) HUD Loan	Mortgage Status, Replacement Reserve, Distributions to Owners, Equity Skimming, Tenant Application, Eligibility and Recertification, Cash Receipts, Cash Disbursements, Management Functions

**Management’s Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its HUD program.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on compliance for the Company’s major HUD program based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the major HUD program occurred. An audit includes examining, on a test basis, evidence about the Company’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major HUD program. However, our audit does not provide a legal determination of Nez Perce, LLC's compliance.

### **Opinion on the Major HUD Program**

In our opinion, the Company complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major HUD program for the year ended September 30, 2021.

### **Report on Internal Control over Compliance**

Management is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Company's internal control over compliance with the requirements that could have a direct and material effect on the major HUD program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major HUD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Purpose of This Report**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.

Boise, Idaho  
December 17, 2021

Our audit disclosed no findings that are required to be reported herein under the HUD Consolidated Audit Guide.

Audit Report dated December 18, 2020 for the period ended September 30, 2020 issued by Eide Bailly, LLP.

There were no prior year compliance findings.

There were no reports issued by HUD Office of the Inspector General (OIG) or other Federal agencies or contract administrators during the period covered by this audit.

There were no letters or reports issued by HUD management during the period covered by this audit.
