Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the business-type activities of the Ada County Housing Authority (the Housing Authority), as of and for the year ended September 30, 2022 and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the Housing Authority, as of September 30, 2022, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Entity's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Entity's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, identified in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of

management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority's basic financial statements. The combining schedule of net position and combining schedule of revenues, expenses and changes in net position (supplementary information) are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards (SEFA) is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Financial Data Schedules (FDS) are presented for purposes of additional analysis as required by the Housing and Urban Development Real Estate Assessment Center. The SEFA and the FDS are also not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information, the FDS and the SEFA are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 9, 2023 on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control over financial reporting and compliance.

Our discussion and analysis of the Ada County Housing Authority's (the Housing Authority) financial performance provides an overview of the Housing Authority's financial activities for the fiscal year ended September 30, 2022. Please read it in conjunction with the Housing Authority's financial statements.

FINANCIAL HIGHLIGHTS

- The Housing Authority reported combined net position (assets less liabilities) of \$2,946,621 as of September 30, 2022. This represents an increase of \$134,401 or 4.8%, above the prior year.
- Total operating revenue for the year ended September 30, 2022 of \$22,901,761 represents an increase of \$10,529,755 or 85.1% compared to fiscal year 2021. Operating revenues exceeded expenses by \$111,588 as compared to operating revenues exceeding expenses by \$159,110 in 2021.
- In January of 2021, the U.S. Department of Treasury launched the Emergency Rental Assistance Program. Ada County applied for and received a total of \$32,208,315. 10% of the funds are eligible for administrative expenses. In March of 2021, the U.S. Department of Treasury launched the Emergency Rental Assistance Program 2 which was established by the American Rescue Plan Act of 2021. Ada County applied for and received \$19,669,349 in ERA 2 funds. 15% of the funds are available for administrative expenses. The Housing Authority is administering both ERA 1 and ERA 2 funds through a sub-grantee agreement. Revenue and expenses increased as a result of the ERA 1 and ERA 2 funding. ERA 1 funding must be expended by December 31, 2022. ERA 2 will continue through September 30, 2025.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Financial Statements consist of management's discussion and analysis (this section) and the basic financial statements. The basic financial statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position, a Statement of Cash Flows, and Notes to the Financial Statements section.

The Statement of Net Position is presented in a classified format that displays assets equal liabilities plus net position. The Statement of Net Position details the assets and liabilities of the Housing Authority based on their liquidity, utilizing current (maturing within twelve months) and non-current (maturing in more than twelve months) categories. The resulting net position in this statement is displayed as either investment in capital assets, restricted or unrestricted. Under Governmental Accounting Standards Board Codification Section 2200, assets are restricted when their use is subject to external restrictions (such as bond resolutions, legal agreements, statutes, etc.), with assets not falling under this category being characterized as unrestricted. Please note, however, that unrestricted net position includes assets that have been committed by the Housing Authority for certain specific uses, but for which an agreement may not yet be in place.

The Statement of Revenues, Expenses and Changes in Net Position presents the operating income (loss), which consists of operating revenues less operating expenses. In addition, the Statement of Revenues, Expenses and Changes in Net Position details non-operating revenues and expenses. The resulting amount (revenues less expenses) is the change in net position for FY 22 which amount is then added to the ending balance of net position from FY 21 to arrive at net position for FY 22.

The Statement of Cash Flows reports the net increase (decrease) in cash and cash equivalents (highly liquid investments with a maturity of three months or less when purchased) for the fiscal year. This statement includes cash flows from operating activities, cash flows from capital financing activities (such as issuance of bonds and acquisition of capital assets), non-capital financing activities, and cash flows from investing activities. The resulting net increase (or decrease) in cash and cash equivalents is then added to the balance of cash and cash equivalents at the beginning of the year to determine the FY 22 ending cash and cash equivalent balance.

AUTHORITY-WIDE FINANCIAL ANALYSIS

Net Position

Net position increased by \$134,401 compared to increasing by \$187,174 in FY 2021.

Barracuda – Ada County Vouchers	\$7,974

The Housing Authority disposed of assets total \$12,140 during fiscal year 2022.

See Note 3 for additional information.

Long-Term Debt

At year-end the Housing Authority had no long-term debt outstanding.

ECONOMIC OUTLOOK

The Authority anticipates full utilization of the voucher program in fiscal year 2023 within the limitations set by renewal funding and rental availability. The Housing Authority anticipates opening the waiting list for the voucher program sometime during fiscal year 2023.

The Housing Authority has endeavored to continue its operations with as little disturbance to participants and tenants as possible during the pandemic. The Emergency Rental Assistance program has provided assistance to 2,723 families at risk of homelessness through the end of September.

Note 1 - Summary of Significant Accounting Policies

The Ada County Housing Authority (the Housing Authority) was organized on March 10, 1976, under Section 50-1905 of the Idaho Code, for the purpose of providing housing to low-income residents of Ada County. The Housing Authority provides housing to low-income residents of Ada County through participation in federal assistance programs administered and financed by the U.S. Department of Housing and Urban Development (HUD).

The accounting and reporting policies of the Housing Authority included in the accompanying financial statements conform to generally accepted accounting principles (GAAP) applicable to state and local governments. Generally accepted accounting principles for local governments include those principles prescribed by the Governmental Accounting Standards Board (GASB) and guidance from the American Institute of Certified Public Accountants in the publication entitled *Audits of State and Local Governments*.

The Housing Authority operates five duplexes under HUD Annual Contribution Contract S-0073. The Housing Authority generally leases the units under an annual lease agreement. The Housing Authority collects rents from tenants based upon the tenants' income and receives operating subsidies from HUD.

The Housing Authority is authorized to administer 763 units under HUD Section 8 Voucher Housing Annual Contribution Contract ID021V. The Housing Authority is also authorized to provide housing to disabled persons under the Continuum of Care Program. The Housing Authority receives housing assistance funds and administrative fees from HUD, and provides Housing Assistance Payments to participating owners in the program. The Housing Authority has 33 Mainstream Vouchers. The Housing Authority receives housing assistance funds and administrative fees from HUD and provides the housing assistance payments to participating owners in the program.

The Housing Authority also administers the following programs with grants received from HUD:

1. The Housing Authority is authorized to make capital improvements to HUD properties under HUD Public Housing Capital Fund Program.
2. Under the Supportive Housing for Persons with Disabilities grant, the Housing Authority pays housing and medical cost for persons with disabilities.
3. Under the Office of Violence Against Women grant, the Housing Authority provides security deposits and rental assistance for transitional housing, along with supportive services, for victims fleeing domestic violence.

Economic Dependency

The Housing Authority is dependent upon ongoing subsidies from HUD.

Financial Reporting Entity

The Housing Authority follows GASB in determining the reporting entity. Accordingly, the financial statements include all organizations for which the Housing Authority is financially accountable and other organizations for which the nature and significance of their relationship with the Housing Authority are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. There are no other organizations that are required to be included within the Housing Authority's financial statements in accordance with GAAP.

The Board of Commissioners of the Housing Authority is also the Board of Boise City Housing Authority (BCHA) and Directors of Shoreline Plaza, Inc. (the Corporation), Nez Perce, LLC, North Liberty, LLC, Shoreline North, LLC, and Vine Street LLC (the LLCs). The Board meetings are joint meetings for the Housing Authority, BCHA, the Corporation, and the LLCs. The Commissioners of the Housing Authority are appointed in alternating years by the Mayor of Boise in odd numbered years and the Ada County Commissioners in even numbered years.

Fund Accounting

The accounts of the Housing Authority are organized into a single Enterprise Fund.

Enterprise Fund - The Enterprise Fund is used to account for operations financed and operated in a manner similar to private business enterprises - (a) where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or change in net position is appropriate for public policy, management control, accountability, or other purposes.

Measurement Focus

The accounting and reporting treatment applied to a fund is determined by its measurement focus. Proprietary funds are accounted for on an economic resources measurement focus and the accrual basis of accounting. This means that all assets, deferred outflows, liabilities (whether current or non-current), and deferred inflows associated with their activity are included on their statement of net position. Proprietary fund type operating statements present increases (revenues) and decreases (expenses) in total net position.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All proprietary funds are accounted for using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

In instances in which both restricted and unrestricted sources of revenues are earned for a similar purpose, the restricted revenues are applied toward expenses first.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates that affect certain reported amounts and disclosures. These estimates are based on management's knowledge and experience. Accordingly, actual results could differ from these estimates.

Cash

Cash includes unrestricted cash and investments with maturities of three months or less at the origination date for cash flow purposes. The Housing Authority had no such cash equivalents at September 30, 2022.

For deposits, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Housing Authority will not be able to recover the value of its deposits, investments or collateral securities that are in the possession of an outside party. The Housing Authority's policy is to require collateralization agreements for all deposits. As of September 30, 2022, the Housing Authority was in compliance with their policy.

All cash was insured or collateralized at September 30, 2022.

Restricted Cash

Restricted cash relates to the accrued subsidies for the family self-sufficiency program described later in Note 1 and to meet guidance provided by HUD that requires the Housing Authority to restrict cash balances that equal restricted net position.

Investments

Idaho Code provides authorization for the investment of funds as well as specific direction as to what constitutes an allowable investment. Housing Authority policy is consistent with this direction. The Housing Authority does not have investment holdings at September 30, 2022.

Property Taxes

As a governmental entity, the Housing Authority is not subject to assessment by taxing authorities. By agreement, the Housing Authority provides payment in lieu of property taxes (P.I.L.O.T.) to Ada County.

Capital Assets

Capital additions, improvements and major renewals are classified as land, building and equipment and are recorded at cost. The Housing Authority capitalizes all capital asset purchases with costs in excess of \$500, except for stoves, refrigerators, and air conditioners, which are capitalized regardless of the costs as required by HUD. Computers are not considered for capitalization. Depreciation is recorded by use of the straight-line method. Donated capital assets are recorded at acquisition value.

The book value of each asset is reduced by equal amounts over its estimated useful life as follows:

	Estimated Useful Life (Years)
	<hr/>
Land improvements	15 - 40
Buildings and improvements	15 - 40
Furniture and equipment	3 - 10

Costs of maintenance repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Maintenance, repairs and minor renewals are charged to operations as incurred. When an asset is disposed of, accumulated depreciation is deducted from the original cost, and any gain or loss arising from its disposal is credited or charged to operations.

The Public Housing Capital Fund’s purpose is to provide funding for capital improvements for Low Rent Public Housing – Annual Contributions Fund. The Housing Authority has two years to obligate the funds and four years in which to expend the funds. At the end of the contract, the capital assets are transferred from the Public Housing Capital Fund to the Low Rent Public Housing – Annual Contributions Fund.

Compensated Absences

Vacation is accrued retroactively to the first day of work upon completion of the introductory period of six months of service. Employees may accumulate leave based on their years of service, ranging from 192 to 336 hours.

Prepaid Rent

Cash from tenants for rent received prior to year-end related to the following year is classified as a current liability.

Net Position

The Housing Authority’s net position consists of the following at September 30, 2022:

Net investment in capital assets – This represents the Authority’s total investment in capital assets, net of outstanding debt obligations related to those capital assets. There was no outstanding debt obligations at September 30, 2022.

Restricted net position – This represents the excess housing assistance payment (HAP) funds provided by HUD for the Ada County Voucher program and the Mainstream Voucher program which are considered restricted. All restricted net position must be used solely for the purpose of the Voucher program HAP expenses with the exception of over-leased units.

Unrestricted net position – This represents resources derived from dwelling and rental income, other income, other tenant revenue, and unrestricted investment income. These resources are used for transactions related to the general operation of the Authority and may be used at the discretion of the board of commissioners to meet current expenses for any lawful purpose.

When both restricted and unrestricted resources are available for use, it is the Housing Authority's policy to use restricted resources first, if allowed by the program rules and regulations, and then unrestricted resources as they are needed.

Family Self-Sufficiency

The Family Self-Sufficiency program (FSS) is an incentive program for low-income persons receiving subsidies to help them find ways to increase their income through schooling, technical training, etc. The Housing Authority sets aside in an escrow account the difference between the participants' starting subsidy and their declining subsidy as their wages increase. When the participants achieve an income level at which they no longer receive subsidies in accordance with program guidelines, they will receive the escrow balance in cash. If the participants fail to comply with the program requirements, their escrow balance is forfeited. The total balance of the escrow accounts at September 30, 2022, was \$174,530. The liability and the corresponding cash are shown on the Housing Authority's Statement of Net Position as Other Liabilities and Restricted Cash.

Advanced Revenue

The Housing Authority reports advanced revenue on its Statement of Net Position. Advanced revenues arise when resources are received by the Housing Authority before it has legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for advanced revenue is removed from the balance sheet and the revenue is recognized.

Grants and Other Intergovernmental Revenues

Federal and state reimbursement-type grants are recorded as revenues when the related expenses are incurred. For programs that are supported by multiple funding sources, federal and state grant monies are applied to expenses first.

Operating and Non-Operating Revenue

The Housing Authority defines operating revenue as revenue that is directly related to the purpose of providing housing. Accordingly, HUD Capital Fund grants, investment income, gains on sale of assets, and interest expense are recorded as non-operating.

Concentrations

Revenue is comprised principally of amounts due from HUD for reimbursement of modernization costs and for annual contributions due under grants.

Note 2 - Account Receivables

Tenant account receivables are recorded net of an allowance for expected losses. Tenant account receivables are due at the beginning of each month, and are considered overdue if payments are not made, or if the tenant has not obtained approval for specific arrangements for payment. Bad debts are accounted for using the allowance method. The allowance is estimated from historical performance and projections of trends. Bad debts are written off when management has exhausted all efforts to collect. The overdue accounts are non-interest bearing. The tenant accounts receivable balance at September 30, 2022, was \$10,031, and the estimated allowance was \$2,272.

Receivables from HUD and other receivables are deemed fully collectible and no allowance is necessary.

Note 3 - Capital Assets

A summary of activity in the capital assets for the year ended September 30, 2022, is as follows:

Note 4 - Related Party Transactions

Amounts due to/from a related party include amounts owed to/from BCHA, which acts as a disbursing agent for routine expenses for the Housing Authority. The net amount payable at September 30, 2022, was \$50,948.

The Housing Authority paid \$125,747 in Housing Assistance Payments to the City of Boise on behalf of tenants living in housing owned by the City of Boise for the year ended September 30, 2022. The Housing Authority paid \$33,716 in Emergency Rental Assistance Payments to the City of Boise on behalf of tenants living in housing owned by the City of Boise for the year ended September 30, 2022.

There were no transactions that occurred between the Corporation, the LLCs, and the Housing Authority. Transactions between the Housing Authority and Ada County were limited to payments in lieu of taxes of \$4,725, which was payable as of September 30, 2022.

All personnel are employed by BCHA. The salaries and benefits of the Executive Director, other administrative staff, and maintenance personnel are allocated among the Housing Authority, BCHA, the Corporation, and the LLCs. Amounts allocated to the Housing Authority for the year ended September 30, 2022, for salaries and benefits were \$824,533 and \$310,431, respectively.

The Housing Authority office space and equipment are located in Boise, Idaho and owned by BCHA. Equipment owned by the respective programs of the Housing Authority and BCHA is not segregated and is used by employees while working on various programs of each entity. Rental expense charged to the Housing Authority by BCHA for the year ended September 30, 2022 was \$43,276.

Note 5 - Risk Management

The Housing Authority purchases liability, medical and disability insurance through a commercial insurance carrier. Workers compensation insurance is maintained through the Idaho State Insurance Fund.

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal award activity of the Housing Authority under programs of the federal government for the year ended September 30, 2022. The information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Housing Authority.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting, except for subrecipient expenditures, which are recorded on the cash basis. When applicable, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - Indirect Cost Rate

The Housing Authority has not elected to use the 10% de minimis cost rate.

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Commissioners
Ada County Housing Authority
Boise, Idaho

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities of Ada County Housing Authority (the Housing Authority), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Housing Authority’s basic financial statements, and have issued our report thereon March 9, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Housing Authority’s financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not yet been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor’s Report on Compliance for the Major Federal Program; Report on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Commissioners
Ada County Housing Authority
Boise, Idaho

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Ada County Housing Authority’s (the Housing Authority) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Housing Authority’s major federal program for the year ended September 30, 2022. The Housing Authority’s major federal program is identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended March 9, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Housing Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Housing Authority’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Housing Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Housing Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Housing Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Housing Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Housing Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A

significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Boise, Idaho

We have audited the financial statements of Ada County Housing Authority as of and for the year ended September 30, 2022, and our report there on dated March 9, 2023, which expressed an unmodified opinion on those financial statements, appear on page 1. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole.

The U.S. Department of Housing and Urban Development Forms HUD-53001 are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Forms HUD-53001 correctly reports the closing of the Capital Fund Grants for comprehensive grant number ID01P021501-18. The amounts reported appear accurate and appear to have been expended for Capital Fund Purposes. The amounts as reported in the general ledger agree to the amounts included in the Actual Modernization Cost Certificate report.
