Independent Auditor's Report

To the Board of Commissioners
Of Boise City Housing Authority
North Liberty, LLC
Boise, Idaho

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of North Liberty, LLC (a limited liability company), which comprise the balance sheet as of September 30, 2022, and the related statements of operations, changes in member's deficit and cash flow for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of North Liberty, LLC as of September 30, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Liberty, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Liberty, LLC's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Liberty, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Liberty, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis as required by the *Consolidated Audits of HUD Programs* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2022, on our consideration of North Liberty, LLC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of North Liberty, LLC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering North Liberty, LLC's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "Eide Bailly LLP". The signature is written in a cursive, flowing style.

Note 1 - Principal Business Activity and Significant Accounting Policies

Principal Activity, Risks, and Uncertainty

North Liberty, LLC (Company) was formed April 22, 2016, as a limited liability company under the laws of the state of Idaho and shall continue in perpetuity, unless dissolved or terminated at an earlier date. The Company was formed for the purpose of owning and operating a 48-unit affordable rental housing complex located in Boise, Idaho. Substantially all of the Company's income is derived from the rental of its apartment units. The Company began operations during November 2016. The Company has entered into a regulatory agreement with the U.S. Department of Housing and Urban Development (Note 9).

Concentrations of Credit Risk

The Company maintains its cash accounts in various deposit accounts, the balances of which are periodically in excess of federally insured limits.

Receivables and Credit Policy

Tenant receivables are rents and charges currently due from residential tenants. Payments on tenant receivables are applied to specific months. Management reviews tenant receivables monthly and charges operations with those considered uncollectible. All remaining tenant receivables are considered collectible.

Property and Equipment

Property and equipment is recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is computed principally by the straight-line method over the following estimated useful lives:

Building and land improvements	5 - 40 years
Furniture and equipment	3 - 10 years

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based on this assessment, there was no impairment at September 30, 2022.

Income Taxes

As a limited liability company, the Company's taxable income or loss is allocated to the members in accordance with the company agreement. Therefore, no provisions for income taxes have been included in the financial statements.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of September 30, 2022, the unrecognized tax benefit accrual was zero. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred.

Rental Income

Housing units are rented under operating lease agreements with terms of one year or less. Rent income from tenants is recognized in the month in which it is earned rather than received. Tenant rent represents gross rent for all units in the project. Any rent received prior to the month of occupancy is reported as prepaid rent. Vacancy losses for unrented units and rental concessions are recorded for any unrented units to arrive at net tenant rent.

Debt Issuance Costs

Debt issuance costs are amortized over the period the related obligation is outstanding. Debt issuance costs are included within long-term debt on the balance sheet. Amortization of debt issuance costs is included in interest expense in the accompanying financial statements. The straight-line method of amortization is used which is a reasonable estimate of the effective interest method.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events through December 20, 2022, the date which the financial statements were available to be issued.

Note 2 - Restricted Deposits and Funded Reserves

Tax and insurance escrow	\$ 38,449
Replacement reserve	<u>332,862</u>
	<u><u>\$ 371,311</u></u>

Tax and Insurance Escrow

Pursuant to the mortgage agreement with Centennial Mortgage, the Company is required to maintain a mortgage escrow account. The mortgage escrow account is to be used to pay the next year's mortgage insurance premium, taxes, and property insurance.

Replacement Reserve

Pursuant to the terms of the HUD regulatory agreement, the Company is required to deposit \$1,952 per month into a replacement reserve account, increasing by 2.0% each year after the initial year of the agreement. The reserve for replacement account is to be used for repairs, maintenance and replacement of equipment not paid as part of the ordinary operations of the Company. Withdrawals from this account are subject to HUD approval.

Note 3 - Tenant Security Deposits

Pursuant to management policy, the Company has set aside \$14,714, as of September 30, 2022, to repay tenant security deposits after lease termination in accordance with requirements established by the HUD regulatory agreement.

Note 4 - Property and Equipment

Property and equipment at September 30, 2022, consist of the following:

Land	\$ 147,000
Land improvements	617,088
Building	2,727,927
Equipment and furnishings	<u>243,986</u>
	3,736,001
Accumulated depreciation	<u>(3,094,480)</u>
	<u><u>\$ 641,521</u></u>

Note 5 - Accrued Expenses

Accrued expenses at September 30, 2022, consist of the following:

Accrued vacation payable	\$ 6,961
Management fees	<u>9,182</u>
	<u>\$ 16,143</u>

Note 6 - Long-Term Debt

Long-term debt consists of:

3.01%, \$3,020,063 mortgage note payable to Centennial Mortgage, due in monthly installments of \$16,460 beginning January 1, 2017 through December 2051, secured by a deed of trust on all property and equipment, a security agreement and an assignment of rents and leases and a HUD regulatory agreement, net of unamortized debt issuance costs of \$110,852 in 2022, based on an effective interest rate of 4.42% (A).	\$ 2,795,328
Less unamortized debt issuance costs	<u>(110,852)</u>
Long-term debt, less unamortized debt issuance costs	<u>\$ 2,684,476</u>

(A) – The loan is insured by HUD under the HUD 223f insured mortgage program. In the event of a default on the mortgage, all rents, profits, and income of the project are to be assigned to HUD. The regulatory agreement accompanying the HUD-insured mortgage shall remain in effect until termination or maturity of the HUD-insured mortgage.

Future maturities of long-term debt are as follows:

Years Ended September 30,	Amount
2023	\$ 60,535
2024	62,382
2025	64,286
2026	66,248
2027	68,270
Thereafter	2,473,607
Less unamortized debt issuance costs	<u>(110,852)</u>
	<u>\$ 2,684,476</u>

Note 7 - Related Party Transactions

Member Distributions

All distributions to partners can be made only after the end of the semiannual or annual fiscal period. Distributions may be made only to the extent sufficient surplus cash is available after payment of all operating expenses, escrow deposits required by HUD, and principal and interest on the HUD-insured mortgage. During 2022, there were no distributions made from surplus cash.

Management Fees

The Company has entered into an agreement with Boise City Housing Authority (the Housing Authority), the single member of the LLC, to provide management services. Under the terms of the agreement, the Housing Authority is to receive management fees as percentage of gross receipts. For 2022, the Housing Authority received 7.0% in management fees per the agreement. The agreement has an autorenewal option for one year, until canceled by either party. During the year ended September 30, 2022, the Company incurred management fees of \$38,299.

Other Transactions

During the year ended September 30, 2022, the Company reimbursed the Housing Authority approximately \$83,794 and \$33,311, for payroll and benefits, respectively. The Company owes the Housing Authority \$12,896 for management fees and reimbursed payroll costs at September 30, 2022.

Note 8 - Member's Equity

Member	Ownership Percentages
Boise City Housing Authority	100%

Note 9 - Regulatory Agreement

The Company has entered into an agreement with the U.S. Department of Housing and Urban Development (HUD) that contains the following provisions:

- During the term of the regulatory agreement, the Company is obligated to make monthly deposits in the amount of \$1,952 to a replacement reserve, increasing by 2.0% each year after the initial year of the agreement. Disbursements from the reserve are to be used for the replacement of property and other necessary project expenditures and are to be made only with HUD approval. The funds may also be used as payment on the mortgage in the event of default.
- All distributions to the member can be made only after the end of the semiannual or annual fiscal period. Distributions may be made only to the extent sufficient surplus cash is available after payment of all operating expenses, escrow deposits required by HUD, and principal and interest on the HUD-insured mortgage.
- In the event of default on the mortgage, all rents, profits, and income of the project are to be assigned to HUD.
- Under the terms of the regulatory agreement, the Company is required to maintain an account to hold security deposits collected from tenants. This account is required to be separate and apart from all other funds of the project in a trust account and the amount shall be at all times equal to or exceed the aggregate of all outstanding obligations under said account.

Independent Auditor's Reports on Internal Control and
Compliance

September 30, 2022

North Liberty, LLC

HUD Project Number 124-11036

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Commissioners
Of Boise City Housing Authority
North Liberty, LLC
Boise, Idaho

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of North Liberty, LLC (the Company) as of September 30, 2022, and the related notes to the financial statements, which collectively comprise the Company’s basic financial statements, and have issued our report thereon dated December 20, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Company's internal control over financial reporting (internal control) as the basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor’s Report on Compliance for the Major HUD Program and on Internal Control
over Compliance Required by the Consolidated Audit Guide for Audits of HUD Programs**

To the Board of Commissioners
Of Boise City Housing Authority
North Liberty, LLC
Boise, Idaho

Report on Compliance for the Major HUD Program

Opinion on the Major HUD Program

We have audited North Liberty, LLC’s (the Company) compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the Guide) that could have a direct and material effect on the Company’s major U.S. Department of Housing and Urban Development (HUD) program for the year ended September 30, 2022. The Company’s major HUD program and the related direct and material compliance requirements are as follows:

Name of Major HUD Programs	Direct and Material Compliance Requirements
223 (f) HUD Loan	Mortgage Status, Replacement Reserve, Distributions to Owners, Equity Skimming, Tenant Application, Eligibility and Recertification, Cash Receipts, Cash Disbursements, Management Functions.

In our opinion, the Company complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major HUD programs for the year ended September 30, 2022.

Basis for Opinion on the Major HUD Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), and the Guide. Our responsibilities under those standards and the Guide are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major HUD program. Our audit does not provide a legal determination of the Company's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Company's HUD programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on the Company's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Company's compliance with the requirements of each major HUD program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Company's compliance with the compliance requirements referred to above and performing such other procedures as we consider necessary in the circumstances.
- Obtain an understanding of the Company's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of the Company's internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
